INTERNCARE

Protecting Tomorrow's Professionals Today

Empower Their Journey, Ensure Their Safety.

INTERNCARE is a specialized insurance product designed to offer vital compensation to interns and students on industrial attachment. We provide crucial support in the event of injuries or disability resulting from violent, accidental, external, and visible incidents during their work experience.

Immediate Support When It Matters Most

Should hospitalization be necessary following an accident, the medical expenses benefit will be paid directly to the hospital or medical facility. For your convenience, we can also reimburse costs upon receipt of original receipts and an attending doctor's report, ensuring a smooth and stress-free process.

Key Benefits

- **Accidental Death:** Provides essential financial security for beneficiaries in the tragic event of an accidental death.
- **Permanent Total Disablement:** Offers compensation if an injury results in a total and permanent disability, impacting their ability to work.
- **Medical Expenses:** Covers the actual and necessary costs of medical, surgical, hospital, and related expenses incurred due to accident-related injuries.
- **Artificial Medical Appliances:** Assists with the costs of essential appliances or aids required for recovery after an accident-related injury.
- **Last Expense (Accidental Death):** Ensures timely financial assistance, payable within 48 hours following a fatal accident, to help with final arrangements.

What is Not Covered

While INTERNCARE provides broad protection, it's important to note what the policy does NOT cover. This includes injuries or disabilities resulting from:

- **Self-Inflicted Harm:** Intentional self-inflicted injuries, suicide, or attempted suicide.
- **Substance Influence:** Injuries sustained while under the influence of alcohol or non-prescribed drugs.
- **Acts of Conflict:** War, terrorism, or related hostile acts.
- **Aerial Device Operation:** Accidents while operating an aircraft, unless as a fare-paying passenger.
- **High-Risk Activities:** Participation in exceptionally risky activities or professional sports.

For a complete list of exclusions and full terms, please refer to the detailed policy document.

Invest in Their Safety. Secure Their Future.

INTERNCARE provides peace of mind for educational institutions, host companies, and the interns themselves. Don't let unforeseen incidents derail a promising career journey.
