MJENGOCARE

Your All-in-One Construction Protection

Building Dreams, Protecting Futures

Mjengocare is a comprehensive, five-in-one insurance solution specifically designed to meet the diverse and dynamic needs of contractors and principals in the construction industry. We provide robust protection, ensuring your projects proceed smoothly and your liabilities are covered.

Mjengocare Advantage

Mjengocare brings together vital coverage areas into one seamless policy:

- **Section A: Contractors All Risk (CAR)**
 - Contract Works: Covers your ongoing construction, including buildings, roads, or dams, against perils like fire, burglary, malicious damage, and natural disasters (e.g., floods, earthquakes).
 - Materials on Site: Protects materials and items at the construction site against the same risks.
- **Section B: Plant and Equipment**
 - Safeguards your valuable plant and machinery against risks such as fire, burglary, malicious damage, and special perils.
- **Section C: Performance Bond**
 - A surety bond issued by us, guaranteeing the satisfactory completion of your project by the contractor.
- **Section D: Public Liability Insurance**
 - Covers your legal liability for third-party bodily injury, death, or property damage, including associated legal expenses.
- **Section E: Work Injury Benefit Act (WIBA)**
 - Provides coverage for your legal liability under the Work Injury Benefits Act, protecting against employee death or bodily injury sustained in the course of duty.
- **Section F: Employers' Liability**
 - Offers protection against legal liability for employee death or bodily injury in the course of duty, directly related to employer negligence or breach of common law/statutory duty.
